Folding Neck Lowboy

35 Ton

Our Goal at Holden Industries is ... To build a trailer you can be proud of for many years to come.

Our Manufacturing Policy is ... To provide the best trailer money can buy for your dollars invested.

*"Don't be Confused by Look Alikes
— Buy the Best."*

*"Custom Trailers — Tailored to Your Needs"
Since 1969*

Holden Industries incorporated in Missouri in 1969, separating from its parent company which dated to the early 1950's. Holden Industries presently builds both commercial and government trailers at two factories in Southwest Missouri. The commercial line includes over 40 standard models plus many custom-designed units. Government models have fulfilled needs of all branches of U.S. Military, as well as NASA, TVA and other domestic and foreign government and quasi-government concerns.
